RE: Letter dated March 24, 2004

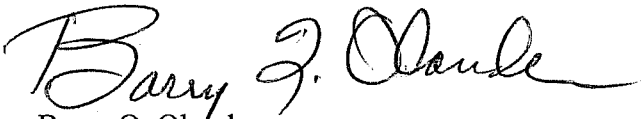

Dear Sir:

We have reviewed your findings regarding the Golden West complaint against our firm and have accepted the terms. Signed acceptance copies are enclosed.

Although our firm feels that the decision and finding by the South Dakota One Call Notification Board was inappropriate, it is not feasible for us to invest any further monies for attorney fees or costs to our firm for employee's expenses or out of pocket monies.

Yours truly,

OLANDER CONTRACTING CO.
